DUES RENEWALS

Guys **PLEASE** let's get those renewals in; most of you should have gotten them in the mail by now. Next to bringing in new members, it's the most important thing you can do for the post. Lets get this out of the way so we can move on to other things. Thanks to those who already sent them.

NEXT MEETING

Just a reminder next meeting August 10th 8pm, uniform will be white shirt and dark pants for pictures and membership award presentation. Also we have an Eagle Scout attending.

On the Back of this letter you will find info on a County bus trip to the WW2 memorial. Moe Baxter, and my wife and I recently went to see it and you **MUST** really see this monument to our greatest generation. Moe and I both agreed they "got it right" If your interested you can call Nelson Rivera and he will tell you where to mail the check; price info is also on the back.

We should all thank Cmdr Klock who donated 600.00 dollars in the posts name to the county so that the hospitalized veterans of Castle Point can continue to have there monthly pizza party. Outstanding !!!
