September/October 2006

Community Day

Community Day will be held on September 16, 2006. We will be able to sell soda, water, chips, orange smoothies and the blinky toys like we did last year. The Auxiliary is going to again sell the ice cream. We had a very successful time last year. Anyone that wishes to help out please be at the East Fishkill Recreation Park by 9:00 am. We will be putting up the tent at that time. If you wish to march in the parade, please be at the East Fishkill Community Center at about 10:00 am. Some members are going to meet at the East Fishkill Recreation Park first and drive over to the Community Center. If you plan on marching in the parade, please give the Adjutant a call by Friday so that we have a head count. We need at least 6 people to march (2 to carry the Colors, 2 to carry the banner and 2 to carry the rifles) but the more the merrier.

Next Meeting

Our next Officer's Meeting will be October 7, 2006 at 8:00 am at the Celebrity Diner in East Fishkill. Our next Post meeting will be October 10, 2006 at 8:00 pm.

Calendars and Member Information

Enclosed are calendars for September and October. If you would like your birthday or anniversary listed on it, please let Membership Chair Barbara Milton know so that she can ensure that we have the information. Also, if you have a change of address or phone number, please make sure that you get her that information so that she can submit it to Department.

Membership Dues

1. We received two Membership Certificates at the Department Convention. They will be presented to the Commander at the September County Meeting.
2. An email was sent out to all the members that have email addresses concerning the proposed raise in National dues. If you read your American Legion Magazine, on page 42 was the Resolution that will be presented at the National Convention this month in Salt Lake City. The National Executive Committee recommended that the National dues for 2007 be raised \$4.50. This resolution was approved at the National Convention last month. The Department dues were raised 2 or 3 years ago. Our current dues of \$25.00 will not be enough to cover what we send to Department/National and the Post will have to consider raising the dues next year. This raise in dues becomes effective January 2007. If everyone pays their dues before the end of December, I can get them sent to Department before January 1st. Department has until January 10th to get them to National at the old rate. After that, we have to pay the raised amount. Another option would be for those that can afford it, to pay up for life (PUFL). You would be able to do it at the current rate of \$25.00. If anyone is interested, please give me a call at 845-724-4666. I have already computed the amounts that would be due for each member that I have a birthday for. You also can pay up over a 12 month period if you wish.

The following list is the members paid and not paid for 2007. If you have paid your dues since 9/12/06, they have not been received and will be processed as soon as they arrive.
