# Membership

We are now in the 2008 membership year. Our goal this year is 86 members and we are currently at 89.53% with 77 paid up members. We only need 9 more for 100%. If you have not paid your dues yet, you should have received your second dues renewal notice from National. Please send them in as soon as possible. If you paid your dues and received a second dues notice, please disregard. This does happen on occasion when Department doesn't process the renewals by the cut off date set by National. Thank you to everyone that has sent in their dues. If your address or phone number changes, please let me know as soon as possible so that I may make the changes with National and Department.
