

Manny Bacon American Legion Post 1758

PO Box 92, Hopewell Junction NY 12533

TO: ALL POST MEMBERS

RE: CALL TO ARMS

The April membership meeting has been rescheduled to the 10th at 7:00 pm at the East Fishkill Community Center.

As some of you know, the Post went before the town zoning board last month. There is a town ordinance that states a lot must be 3 acres in order to sell it. The town is considering whether or not we have to combine our 1.5 acre lots to make one lot that conforms to code.

If they make us do that, it will make the land much less attractive to a buyer and we will get much less for it.

The town has scheduled a public hearing on April 8, 2008 at 7 pm. I need **EVERY** member who wants to see us get a Post home some day and every member who has ANY amount of time or money invested in this Post to be there for this hearing. All you have to do is sit there and be seen. If you wish to speak, that's ok too but not required.

I want to see old timers like Dave Dimila and Paul Wilson.

I want to see Mike Tomkovitch, so that all his work is not in vain.

I want to see Rich Silva, making sure his father's post lives on.

I want to see every member there who cares about the future of this Post.

That's 7pm on April 8th at the East Fishkill Town Hall on Route 376. Bring your hat if you have one. I have sent letters to Mr. Hickman and our State Assemblyman Marcus Molinaro. I personally deposited a letter into the hands of Congressman John Hall and even he said we need a good turnout at the hearing.

See you at the hearing. Our future may depend on it!

There **WILL** be an Officer's meeting on April 5th at 8:00 am at the Plaza Diner in Hopewell Junction. All Officers and past Commanders are encouraged to attend.

For The American Legion,

Dana Verissimo
Commander, Post 1758
