

*Thank You*

*To American Legion Post 1758*

*I want to thank the members of American Legion Post 1758 for their generous support to my Commander's Project; Operation Comfort Warriors. It will truly be a great honor to represent you at the American Legion National Convention and present our donations to the National Commander. As always I will continue give 110% and promise to make you proud.*

*Thanks again for your support, it is greatly appreciated.*
